

Individual Weekly Report

Name: Abdiel Rivera

Team: Bray IIoT Smart Solutions

Date: 2/17/2025

Current Status

1. What did you **personally** work on this past week?

Task	Status	Time Spent
Went to Bray to pick up the hardware	completed	4 hours

Include **screenshots/graphics** to illustrate what you did this past week:

2. What problems did you run into? What is your plan for them?

Despite having picked up the hardware, we have yet to sign the necessary NDAs to gain access to the code related to the firmware. To solve this problem we just need to sign the NDAs, we are just waiting on Bray to actually get them to us.

3. What is the current overall project status from your perspective?

With the hardware in our possession and access to some of the code, it is now possible for us to actually start working on the project.

4. How is your team functioning from your perspective?

Our team is working together just fine

5. What new ideas did you have or skills did you develop this week?

I did not develop anything new this week

6. Who was your most awesome team member this week and why?

Matthew was the most awesome team member for setting up the meeting with Bray and organizing the road trip.

Plans for Next Week

What are you going to work on this next week?

I plan on working on the project in whatever way I can, preferably the dashboard once I get the tech stack ready.
